P.O. Box 4808
Syracuse, NY 13221

Dear Mr. Walrath:

This letter is to notify Carrier of EPA's approval of the Carrier Air Conditioning Site Work Plan (Revision D), Sampling Plan (Revision C with revised page 47 and a reminder to include the additional ditch sediment sample added in the Work Plan), and Quality Assurance Project Plan (Revision B with the revised Figure 2-5 and revised page 4 of 4). As specified, the Consent Order becomes effective upon EPA's approval of the Work Plan.

Per the tentative schedule set in our meeting on November 28, 1989, EPA is presently preparing to send a representative to the Carrier site to collect split groundwater samples from existing wells for the Phase I sampling the week of December 18, 1989. If there are any changes in these plans, please contact me at (404) 347-7791.

Sincerely,

Felicia Barnett
